Of these, 1,133 were adult and 2,898 juvenile selections.

The library is now open for a longer period of time each week: from noon until 3 p. m. and from 7 to 9 p. m. on Wednesdays.

The library trustees meet at the library on the last Wednesday of each month and any suggestions on improving our service and facilities would be welcomed at any time.

FIRE CHIEF'S REPORT

My report for this year has been marred by two building fires, one at Cummings and a house fire at Burns on Sanborn Hill. With the help of mutual aid and the good work of our firemen the Burns fire was brought under control in short order, but with some damage to the interior.

We have purchased a new generator to run our flood lights, as our old generator got to where we could not depend on it. This generator was purchased from Sears, Roebuck, at a great savings, thanks to Dan Creighton.

We were schooled this summer on pumps, and how to put a fire out with very little water by using fog. Our instructor was Ted Starkweather.

I hope for another year as good or better than this year.

Respectfully submitted,

KENNETH F. HOAR Chief of the Hy-Mar Fire Dept.

REPORT OF FOREST FIRE WARDEN & DISTRICT CHIEF

Donald Frost, Warden Gerald H. Hight, District Chief

People cause fires. Our records show that the number of fires increase in an area as the population increases and our state is growing tremendously. This means that we all must be aware of fire causes and do our best to prevent their occurrence.

When we are very young the lighted matches is an adventure, burnt fingers and a dropped match is another fire. A little older we like to have a woodland cookout, or go out by ourselves for a smoke but fire and forests get together for another statistic. We adults like to clean up in the spring, burn the old debris and the dead grass, result — escaped fires and much personal expense.

With new homes and summer cottages located in woodlands and with abandoned fields and forests crowding the back yard of our villages' streets, it is necessary that everyone be aware all through the fire season, which comes with the disappearance of the snow, of the need to be careful with outdoor fires and fire sources.

The following action will help:

- 1. To teach our children the danger of lighted matches.
- 2. To *never* discard lighted smoking material from a car or while walking through fields or woods.
- 3. To safely dispose of rubbish preferably at the town dump. If you must burn
 - a. You need a written permit from the town fire warden for *all* debris burning except when the ground is covered with snow. Cooking fires in outdoor fireplaces or in charcoal brasiers in your own back yard is permitted on notification of the warden.
 - b. The warden is forbidden by regulation to allow burning of household rubbish on *grass* by householders between 9:00 A. M. and 5:00 P. M.
 - c. Have equipment on hand to control the fire *before* you light the match.
- 4. Promptly report any fire out of control to your fire warden or fire department.

Help to keep our town out of the fire occurrence column and save your tax dollars for useful purposes.
